With reference to your letter No 817 dated 1st November 1920, asking me to intimate how the services of the 6 Paigastles attached to the Octroi Department of the City Municipality are to be treated for purposes of allowances and pension I have the honor to state that there does not seem to be any rule or practic under which these employees are treated as inferior servants Whether the services of these men may not be treated as superior if their pay is Rs 10/- or more as in the case of those specifically mentioned in article 271 of the Mysore Service Regulations, has to be decided by Government

17/1 6 There does not appear to be any information about how the services of detective constables have to be treated. The D G of Police has to be addressed in the matter

25/1 7 It seems that under Art 221 (1) (a) those constables who draw a pay of Rs 10 & 11 belong to the Superior service & those getting Rs 9 & 8 to inferior service. The final decision may perhaps be carried by the administrative branch
